## TWO YACHT RACES ON YESTERDAY

Gladys Wins Challenge Cup and Ivy Leads in Harbor Race.

There were white wings galore yesterday for both clubs held races, the Hawaii club having five starters in the challenge cup race over the Diamond Head-Pearl Harbor course, and the Honolulu club having five starters in the race for the youngsters inside the harbor limits.

In the outside race the Gladys won back the cup who lost to the Charlotte C last year after holding it seven years, although the Mollou sailed a great race from start to finish, leading all the others. The Gladys won on her time allowance, for the Mollou is the scratch boat of the club. The youngsters had a fine race and Max Bolte won out in the Ivy after

an exciting contest in which the Pearl crossed the line just one second behind the winner.

The handicaps of the other yachts were as follows: Gladys, 23 minutes 37 seconds; Kamehameha, 35 1-5 seconds; Helene, 36 minutes and 19 seconds; Charlotte C., 17 minutes and 21 seconds.

The actual and corrected times made by the yachts in yesterday's race were as follows:

|              | Actual            | Corrected |
|--------------|-------------------|-----------|
| Gladys       | 4:54:40           | 4:31:03   |
| Mollou       | 4:54:02 (scratch) | 4:54:02   |
| Kamehameha   | 5:13:02           | 5:12:36   |
| Helene       | 5:20:06           | 4:49:41   |
| Charlotte C. | Time not taken.   |           |

Youth must be served, all right, but there are certain gentlemen connected with the national pastime who never seem to dim in luster, or show the effects of oncoming age. Look at Fred Clarke, manager of Pittsburg. For instance, Fred is along the vale of the thirties quite a stretch, but he is a marvelous fielder. Just to show how much he has gone back he captured ten flies in left field and that will probably remain as the season's record.

## CASTLE-NOWELL THIS AFTERNOON

Challenge Round in Championship Tennis Tourney Is Now On.

At 3:30 this afternoon A. M. Nowell and Al Castle meet on Beretania courts in the challenge round of Territorial championship tennis tournament, Nowell having won out in the finals against Judd Saturday afternoon, 4-6, 6-3, 6-3, 6-1.

There was a large crowd of fans to see the fight out between Guard and Judd, who were to decide their match during the afternoon, for on Friday they had left off with the sets two-one in Judd's favor, after battling until nearly dark.

It was all Judd's way when he went up against Guard on Saturday, however, and with the score 6-2 the set was finished in short order and everything was ready for the final round.

When it came to going up against Nowell, Judd was outclassed completely, though during the first set Nowell felt out his weak points fairly well, losing to him 4-6.

That was the only chance that Judd had in the whole afternoon, for as soon as the first set was over Nowell went after him and took the next three sets, allowing him but four games while he took eighteen.

There is a lot of interest attaching to the challenge match this afternoon and although it is generally conceded that Castle will win out it is also believed that he will have a hard fight on his hands to down his opponent.

Castle has won everything he has gone into this year and he is in fine shape for the match, so that which ever one wins those who are present as spectators will be sure of seeing some of the classiest tennis ever put on Honolulu courts.

The New York fight critics, who took Battling Nelson's opinions of Ad Wolgast and called him a "cheese champion," think he is the real thing now.

## FANDOM AT RANDOM

There was a start made yesterday on the kind of rooting that no one wants at the ball games at Athletic Park. It is up to the management to stop such talk in the grandstand and if it will not be done on request then force should be used to eject such persons from the stand. One of the trips which made itself so obnoxious yesterday is well known in Honolulu although the other two are malinias, and it is up to him to change his tactics.

The wrestling bout between Froelicher and Jack Younger Saturday evening promises to be one of the best ones ever seen on the mat in Honolulu. In the preliminaries Derby and Alton will do some work which should meet the approval of the fans. As to the main event nothing need be said for both men are too well known here to need any special comment.

At the Outrigger Lunal Saturday evening forty couples made merry to the strains of a quartet club, the occasion being the opening of Honolulu Yacht Club's social season. The place was decorated with club flags and everything went off merrily.

Kamehameha cadets will be reviewed at Ania Park Wednesday afternoon by Governor Frear. The battalion is expected to make an exceptionally good appearance as this will be one of the last reviews under Captain Winters.

Ewa isn't saying much this season so far in the ball line. Last season they were out with the dope all the time but this year they are keeping rather quiet. It is up to them to make a noise anyway.

The fans will all be out to Beretania courts this afternoon to see Champion Al Castle defend his title from Nowell, the winner of the tournament which closed Saturday afternoon.

Polo is coming into its own again and the attendance at Moanalua Field Saturday afternoon showed that the interest in the game is even increasing.

Any fan who would kick at the sensations furnished in the first game yesterday afternoon in the league playing is hard to please.

The championship doubles are to start tomorrow afternoon and the play will be on both Beretania and Pacific courts. Eight teams have been entered for the series and there should be some fast work.

H. H. Walker turned in the lowest score at the Country Club medal play yesterday with Frank Halstead. The links were in good shape and there were a number of players present for their regular weekly go at the little ball.

It is reported that Soldier King and Nigel Jackson will go over the tennis route next Saturday at Athletic Park, Jackson having a mile in ten given him by the soldiers.

Mrs. C. Y. Mark leaves today on the Manchuria to join her husband in Singapore, formerly one of the crack players on C. A. C. ball team in this city. He left two years ago for China and is associated with his father in the Straits Settlements.

Alca plans to be on top when the Sugar League season ends. Just watch the smoke of that nine now that it is hitting the pace in good shape.

LONDON, England, April 25.—English horsemen, who are working overtime these days, keeping one eye on the several American stables racing on English tracks and the other upon not a few French strings that are known to be preparing on the Continent for an English invasion a little later, sustained a severe jolt to their pride this week with the announcement of the opening odds for the Derby, to be run at Epsom Downs on May 31.

It had been currently whispered about the paddocks for several weeks that the best of the English 2-year-olds entered for this classic were, collectively, at least, none too promising a lot, and that several of the American and French bred entries might prove dangerous. Yet no one expected, however, that a "foreign-bred" colt would be made the actual early favorite for the race. Such, however, is the case, and it has brought dismay and consternation to the ranks of the English breeders.
